

## **Future AMA Motions**

*Motion agreed at an All Member Assembly on Sunday 15 February 2026.*

### **This AMA Notes:**

1. AMA motions are well researched and considered pieces that can sometimes be long.
2. As a result, it is not always easy to differentiate between context and resolutions.
3. There is no defined layout for AMA motions.

### **This AMA Believes:**

1. Motions must be presented in a succinct and accessible layout, with supporting arguments where needed.
2. Amendments must be easy to reference.
3. Resolutions must be clear, easy to understand and actionable by members.

### **This AMA Resolves:**

1. Motions are formatted under headings of "Notes", "Believes" and "Resolves", or suitable equivalents.
2. Motions include numbered lists.
3. Optionally, motions can include explanatory notes, with numbered paragraphs, that can be amended.
4. These resolutions take effect after the close of the February 2026 AMA.
